University School Mission
University School at the University of Tulsa was established in 1982 to offer the city of Tulsa and the state of Oklahoma leadership and service in the field of gifted education. The mission of our school is to serve as a national model of excellence in pre-college education for students of high academic potential. The total focus of the program is gifted students with high academic motivation and potential.

Fundraisers

Fundraising is an important way that parents help to meet the gap between the revenue generated by their tuition payments and the actual cost of running our school. Over the years many extras have been purchased for University School through special event fundraising efforts of our families.

• Funding the Future is the University School annual fundraising campaign. It is important to contribute no matter the amount. The goal is a high participation level which shows that parents support our school.

• Fall fundraisers include: Jogathon and the Fall Scholastic Book Fair.

• Spring fundraisers include: A live/silent auction event, the Spring Scholastic Book Fair, and Creative Producers International.

Drop-Off and Pick-Up Lane Reminders

University School Traffic Moves

Drop-off and pick-up may not qualify as an extreme sport, but it can be challenging and even dangerous at times. We recognize that following parking and drop-off procedures may not always be convenient. However, parking space and areas for drop-off/pick-up are limited. We have put measures into place in order to make the most efficient and safe use of the resources we have. Please help keep our children safe and our drop-off lane running smoothly by observing the following moves:

The Airport Security Move - Before 9:00 a.m. and after 2:30 p.m., drivers must remain with their vehicles at all times in the “loading zones.”

No Double-Decking - Do not double park or create two lanes. Double parking forces children to walk between cars and into the street, which is a serious safety hazard for children and drivers.

The Lane Stretch - Pull as far forward as possible in the drop-off lanes to allow more cars in the lane.

Love ‘Em and Shove ‘Em - Say your long goodbyes and kiss the kids at home. Have them ready to hop out of the car with backpacks and lunches as you pull into the lane. (The drop-off lane truly isn’t the best place for putting on shoes or signing permission slips. Oh yeah . . . you’ve done it - we all have!)

No Back-Flips - Do not pull into the drop-off lane from the wrong direction. This can force children to exit into the street and creates dangerous conditions for kids as well as for other drivers.

Circuit Training - If you are delivering or picking up children who have different drop-off and pick-up times, do not sit in your car in the lane and wait for a child who gets out at a different time. Siblings who have different drop-off times and/or lanes must be picked up at the appropriate time and in the appropriate lane. If necessary, please circle the block or park elsewhere until the appropriate time. Please do not ask teachers to “make an exception” --student safety is our primary goal and exceptions lead to unsupervised students and thus compromise our security.

Carpool - A classic that never goes out of style. If you really want to know what’s happening at school, take a turn driving your child’s friends to school.

The Bagel Buster - If you need to come into the building, parking is available in the designated spaces in the lot located on the northeast corner of 4th and College. It takes a few extra steps to walk, but leaving your car in the drop-off lane even for “just a minute” is not only discourteous, it creates dangerous conditions for our children. A University School parking sticker is required to use the designated spaces in the lot, and these stickers are available for $1 each at the front desk. Please do not park in the University United Methodist parking lot or the TU Child Development Center (Children’s World) parking lot.

DROP-OFF/PICK-UP LANES AND TIMES:
Teachers will be on the sidewalks to greet children each morning and also accompany children to the curb during pick-up. Drop-off and pick-up times are designated for each class as follows. Students who are not picked up by 2:55 (EC-P3) or 3:15 (Int. 1 - OI-8) will be sent to the Extended Day Program.

College Avenue Lane:
- Early Childhood, Early Primary, Primary I: 8:45-8:55 a.m. 2:40-2:55 p.m.
- Intermediate I, Intermediate II: 8:30-8:40 a.m. 3:00-3:15 p.m.

Evanston Avenue Lane:
- Primary II, Primary III: 8:45-8:55 a.m. 2:40-2:55 p.m.
- Older Intermediate 5-8: 8:30-8:40 a.m. 3:00-3:15 p.m.

Thank you for helping to keep our children safe!

Parking is available for parents in marked locations at the 4th and College lot across from the school.
University School Extended Day Program

The University School Extended Day Program (EDP) is a service provided for students enrolled in the regular hours of operation of our school. There are three EDP options for each regularly scheduled school day in accordance with the University School calendar.

**Early Option (7:15 – 8:45):** Students are dropped off at the gate on Evanston Ave., enter through the northwest door and meet in the school gymnasium. At 8:00 a.m., Intermediate-1 and older students go upstairs to a designated classroom to work or read quietly until morning class time. Younger students (EC-PI) go to the Primary I room at 8:00 a.m. All students not enrolled in EDP who arrive early are charged a drop-in fee of $15.

**Study Hall (2:45 – 4:00):** Immediately following their last class, EDP participants report to their designated Study Hall classrooms. **Students bring a snack to have at this time. We do not provide snacks.** Please do not send heat up snacks or popcorn needing to be popped. P2-OI8 students work on assigned homework until completed, and then they may read a book or do other structured activities as directed by the teacher. They should be prepared with a book in their backpack. P2-OI8 Study Hall is designated as a quiet study time. Students in EC-P1 classes have structured age-appropriate activities. A quiet resting or napping place is provided for those students demonstrating a need for rest. **Pick-up from the front lobby is no later than 4:00. After 4:00 students go to Enrichment. A drop-in fee of $15 is charged, and students are then picked up from the front lobby.**

**Enrichment Option (4:00 – 5:30):** Enrichment EDP begins immediately after Study Hall. P2-OI8 students relocate to the gymnasium and have a half-hour period of active play (outdoors when weather permits), organized games, or enrichment activities. At 4:30 priority is given to finishing homework in the school-age group of students. EC-P1 students also have some outdoor or gymnasium play time and other age-appropriate activities. Cross-age grouping of students is possible depending on the number of students and the nature of planned activities. **Students are to be picked up at the front lobby no later than 5:30. Fees are charged for late pick-up, with a minimum fee of $15 and increasing by $1/min. after 15 minutes.**

**Extended Day Costs (per month):**

Drop-in charges are $15 per unit of care and are charged to student accounts. Early Option, Study Hall and Enrichment Option each count as one unit of EDP care.

**Policies in Accordance with Department of Human Services Requirements**

A) If a person other than a parent is picking up an EDP student, written permission is required from the parent (sent to school with the child, via email or by FAX) and the identity of the designated person is verified with a photo ID by our staff. Persons on each student’s approved pick-up list may also be required to show a photo ID.

B) University School requires that parents promptly notify front desk personnel if a student enrolled in the EDP will not be attending on a particular day.

C) Students’ belongings are stored in their backpacks during the EDP hours. We discourage bringing money or valuables to University School.

D) Students are not to be sent to school unless they are without fever for 24 hours following illness. In case of minor illness or injury occurring during EDP hours, parents are promptly notified. In case of major illness or injury, we call 911 immediately and then notify parents.

E) When a student must receive medication during EDP hours, parents are required to document the dosage regimen and to clearly label the medication with the child’s name. (A medication form is available at the front desk or on our website.) All medications must be in their original containers and delivered to the EDP supervisor on duty to insure proper storage and administration.

F) Field trips are conducted during EDP hours only on the date of a specially scheduled Older Intermediate club activity and written parental permission is obtained in advance.

G) Children are transported during EDP hours only in the case of a field trip for OI club participants, as described in F, above.
H) Please note: It is mandatory that our staff report suspected incidents of child abuse or neglect to the Department of Human Services and/or to the Child Abuse Hotline.

I) Positive Discipline techniques are used during EDP hours in accordance with University School policy.

**EDP CLUBS**
Our school sponsors several extracurricular clubs as a part of EDP. Students who are already enrolled in daily Extended Day Program during the club’s scheduled time are charged an activity fee per semester for each activity. All students who are not EDP participants are charged $100 in addition to the activity fee for each club.

**Club Options for 2011-2012:**

Annual Report 2010-2011

Fall 2010
University School teachers reported on Monday, August 9 for staff development. This year we used Doug Lemov’s book *Teach Like A Champion* as a springboard for our training. Each team of teachers was responsible for presenting a section of the book to the rest of the staff. In addition to Lemov, we also had

- Kumon training by Matt Lupsha
- Shurley Grammar training
- Saxon Math training
- 2nd Step Bullying Prevention training
- Team building in the gym with Liz Daniels
- Health & Safety review

1st Annual All-School Thanksgiving Celebration
An all-school potluck was held to celebrate Thanksgiving.

Annual Auction Fundraiser
The annual auction fundraiser this year, Doo Wop and Bobby Socks, was held at the Junior League of Tulsa headquarters. Under the leadership of Jennifer Zandbergen, committee members raised over $36,600 to be used for technology improvements.

Summer 2011
Camp Incredible kept University School buzzing with excitement for six weeks this summer. Once again, two weeks of Camp Incredible were included in the tuition and fees for all University School students. We had 32 teachers and over 270 students for our 2011 camp. We had something for everyone this year. There was Field Trip Fun, American Girl Adventures, Sew Tasty, Awesome Amazing Animals, Peace, Love and Yoga, and much, much more! It was an amazing summer.

Fall 2011
University School teachers reported on Monday, August 8 for staff development. Dr. Kathy Kelley, a former University School student started our staff week with a presentation about Trust in Organizations. Her presentation was based upon her doctoral studies at the University of Oklahoma. Additional training included

- Love and Logic in the Classroom
- Curriculum Differentiation
- American Heart Association Heartsaver First Aid, CPR, and AED
- Utilizing SAT Data
- Kumon Scope and Sequence

Funding the Future
Despite the challenge from Kelly and Marti Sudduth, the economy intervened, and our 2011 Funding the Future campaign was a little short of our goal. With the help of many appeal letters, our Parent Get-Togethers, University Jr. Board members, and the leadership of Dan Milford and Nadia Rosales, we did raise a total of $82,046.

University School History

The first semester of the program that is now The University School began in spring 1982 with five preschool children. That first class was held in a classroom in the School of Nursing. The idea developed in what was then The University of Tulsa's Department of Special Education. During that semester, Dr. Hollingsworth was hired to be the teacher for the 1982-83 school year.

**Year 1: 1982 - 1983**
- The University of Tulsa Preschool Enrichment Program moved to 206 Lorton Hall. Monday/Wednesday morning and Tuesday/Thursday afternoon sessions - twelve students each
- Used campus Art Department, Music Department, and McFarlin Library for enrichment activities
- Spring 1983, Dr. Hollingsworth began the thematically based Friday Rainbow Day Art Program
- Parents requested kindergarten be offered for the following year
- Program administered through the College of Education and its dean, Dr. Bruce Howell
- Dr. Hollingsworth became Coordinator of the Gifted Program and began planning the kindergarten

**Year 2: 1983 - 1984**
- Program changed names to the Gifted Enrichment Program of The University of Tulsa Stoia Learning Center
- Began “Word Works”
- First semester, the kindergarten used Lorton Auditorium as a classroom
- Second semester the kindergarten moved upstairs in Lorton
- Prior to the end of this school year, parents were again requesting that grades be added
- Dr. Howell approved the program to go through the third grade
- A former apartment building used by the Psychology Department was renovated for the 1984-85 school year. Dr. Hollingsworth involved students in designing the wooden playground structure
- Staff development sessions with Dr. Howell emphasized the importance of maintaining our experimental, alternative education approach to our curriculum. He advised us to not get rigidly fixed into grade levels and directed us to formulate our goals and purposes.
- Summer 1984, University of Oregon, Dr. Hollingsworth began writing the Enaction Curriculum which emphasizes active learning

**Year 3: 1984 - 1985**
- Building at 622 South Harvard Court housed the Early Childhood, Primary I, and Primary II classes and staff offices
- Crowded conditions prompted a request for an additional building. Several months into the school year, the playground was completed
- During the second semester, The University of Tulsa and the Stoia Foundation decided to go their separate ways
- The University of Tulsa's Provost Office took over the oversight and administration of the gifted program on campus and appointed Dr. Hollingsworth as Director of The University of Tulsa School for Gifted Children
