

First Destination Survey Report

Class of 2020-2021

The University of Tulsa

Christy M. Caves, Executive Director
Melissa J. Radford, Associate Director

EXECUTIVE SUMMARY & METHODOLOGY

The First Destination Survey is administered annually by The University of Tulsa Center for Career Development and Professional Engagement. The survey asks graduates to identify primary post-graduation outcome status. The survey content and data collection procedures are in compliance with National Association of Colleges and Employers (NACE) standards and guidelines.

Data was collected from degree candidates prior to graduation and through follow-up e-mails sent to graduates post-graduation. Graduates who had already completed the survey were invited to update their previous responses if their post-graduation status changed. Outcome information was collected from faculty members, telephone calls, and web research. A search was conducted via social media, primarily LinkedIn, to find graduates who had not reported any data. It is important to note that not all respondents answered every question. Data was collected through December 31, 2021.

Knowledge rate is defined by NACE as the percent of graduates for which The University of Tulsa has reasonable and verifiable information concerning the graduates' post-graduation career activities. The knowledge rate refers to basic information about the career outcomes.

Career Outcome Rate includes employed (full-time, part-time, entrepreneur, freelance, postgraduate fellowship, other), military service, volunteer service (e.g. Peace Corps, mission work), continuing education, and taking time off.

The results for the class of 2020-2021 presented in this report include students who were on the official graduation list and awarded a degree from The University of Tulsa during the 2020-2021 academic year; this includes summer 2020, fall 2020, and spring 2021 graduates. In total, 926 graduates are included in this report.

	Textron Aviation	Cedar Ridge Country Club	
	The University of Tulsa	Neutrastech	
	Enovation Controls	Gulfstream Aerospace	
	AWC Inc.	Titan Wheel	
	Sierra Nevada Corporation	Emerson	
	Amazon	JD Services	
Master			The University of Tulsa
Doctoral	University of Kentucky	Apple	

College of Engineering and Natural Sciences

Outcomes by Major

PETROLEUM ENGINEERING			
	Employers		Graduate Schools
Undergraduate	Magellan Midstream Partners	Petronas	Texas A&M University
	Halliburton-Summit ESP	Saudi Aramco	The University of Texas
	Aramco	Lutron Electronics	The University of Tulsa
	Republic Services	W Energy Software	
	Ryca Energy Partners LLC		
Master	General Directorate of Mineral Research and Exploration	PetroChina Exploration & Development Research Institute	The University of Tulsa
	Tengizchevroil	Wood Co.	
	Strategy Consulting Firm	University of Texas	
Doctoral	Cognite	Chevron	
	Crater Energy		

PHYSICS		
	Employers	Graduate Schools
Undergraduate	The University of Tulsa	University of Georgia

Philip McAllister

*Director of Engineering, Novi Financial
BS, Computer Science - Class of 2004*

"The caliber of students I studied with at TU can stand toe-to-toe with the professionals of Silicon Valley's top technology companies."

"I received a truly well-rounded education. It was tremendous for me."

2020-2021 On-Campus Recruiters

91% of TU graduates gain employment or enter into graduate school or professional school within six months of graduation.
