Note to Students: *UTulsa equivalencies used within this articulation agreement are only applicable with a completed Associate of Science or Associate of Arts to fulfill the University of Tulsa Core Curriculum and do not reflect current one-to-one equivalencies for single courses transferred from TCC to UTulsa.

This Articulation Agreement provides a semester-by-semester guide showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](https://www.utulsa.edu/tuition-costs). The degree map above has been divided to maximum enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any semester should be prepared for different tuition costs.
- Students must have a minimum GPA of 2.0 in the Area of Concentration (Major and Minor subjects) and a minimum of 2.0 TU GPA.
- No Pass/D/F or CLEP credit may be applied toward the Area of Concentration.
- Students must complete a Minor subject.
- Two thirds of the course work in the Major subject must be at the 3000 or 4000 level.
- UTulsa will waive FYE 1001 required for degree completion if student follows the mapped courses. However, if the student doesn't follow the course map as outlined, they could be required to take FYE 1001.
- Two courses must be taken to meet the HCGD requirement. The HCGD requirement can be fulfilled with courses in the major, minor, general curriculum, or general electives.
