T R A N S F E R M A P

Associate of Science in Pre-Nursing at Tulsa Community College to Bachelor of Science in Nursing at the University of Tulsa

60 Credit Hours at TCC + 66 Credit Hours at TU = 126 Total Credit Hours

Transfer Map Catalog Year: 2025-2026 (Year 1 of 3)

Note to Students: *UTulsa equivalencies used within this articulation agreement are only applicable with a completed Associate of Science or Associate of Arts to fulfill the University of Tulsa Core Curriculum and do not reflect current one-to-one equivalencies for single courses transferred from TCC to UTulsa.

This Articulation Agreement provides a semester-by-semester guide showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

^^TU's traditional BSN program has a Spring only start (typically 2nd term of Sophomore year with Level I Nursing courses). Transfer students should plan accordingly for prerequisite course completion and application deadlines.

Congratulations, you have earned your Bachelor's Degree from UTulsa! Time to celebrate!

TCC Milestones and Recommended Actions:

- **Consider Summer Courses:** Summer courses at TCC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at TCC:** Consider a campus tour of UTulsa and connect with a UTulsa academic advisor, to ensure you are on track to transfer. Your TCC academic advisor can assist in planning these actions.
- **During Year Two at TCC:** During semester three coursework (or two semesters before you plan to transfer if attending part-time), apply for admission at UTulsa as a transfer student (<https://admission.utulsa.edu/apply/transfer-applicants/>).
- **Final Semester at TCC:** Congratulations, you are about to earn your Associate Degree! Be sure to apply for graduation @ <https://www.tulsacc.edu/student-resources/graduation>.
- **Transcripts:** After your final semester, submit an official TCC transcript to UTulsa (www.tulsacc.edu/student-resources/student-records/requesting-and-submitting-transcripts).
- **Reverse Transfer:** Students who transfer to a university before completing an associate degree and who have earned at least 15 credit hours from TCC may be eligible to complete their TCC degree through Reverse Transfer. Email reversetransfer@tulsacc.edu to see if you qualify for a degree through the Reverse Transfer program (<https://www.tulsacc.edu/student-resources/graduation/reverse-transfer>).

University Program Notes and Information:

- UTulsa Tuition Costs: Full-time students pay a flat tuition rate each semester they are enrolled in 12 - 18 hours. Any semester where a student enrolls in 11 hours or less is billed per semester hour. Any semesters with an approved overload above 18 hours have additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](https://www.utulsa.edu/tuition-costs). The degree map above has been divided to maximum enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any semester should be prepared for different tuition costs.
- UTulsa School of Nursing offers the following programs – B.S.N. (in-person; see below for 5 semester overview), Accelerated BSN (online), and R.N. to B.S.N. (online). Make sure that you have fulfilled the requirements and apply for the appropriate program as they do not cross over. UTulsa School of Nursing also offers programs for further post-grad education.
- All degree applicable transfer courses must be completed with a C or better. A 3.0 GPA is required for admittance to the UTulsa nursing programs. If you have completed the prerequisites and have a 3.0 GPA, you will be immediately admitted upon enrollment at UTulsa. No secondary application is necessary.
- **Disclaimer:**
 - The provisions of this transfer agreement do not constitute a contract. The university reserves the right to make changes in degree requirements, degree offerings, schedules, course offerings, and other university standards to meet circumstances which may arise after publishing this information online. The University of Tulsa will regularly work with TCC to keep this road map updated in efforts to maintain access and clarity for prospective students.
